## THE PHILOSOPHY OF EASE

IS COMING TO  
AUSTRALIA FOR THE  
FIRST TIME EVER ~ 2009

For those who are familiar with PK's methods, he needs no introduction and your long awaited chance to see him unravel the mysteries of dressage is this September where an open clinic with 8 riders per day for 4 days will be held at Brookleigh Equestrian Estate,

*Perth 15th ~ 18th September  
Bathurst, Sydney 22nd ~ 25th.*

Book your place to be a spectator now and soak up the truths of modern dressage within his School of Légèreté. The learning process in his method is in watching the horses vastly improve over the four days.

For those who are searching for Lightness and Balance with their horse and into the higher levels, come and see for yourself and ask Philippe Karl for explanations in his interactive lessons. Three nights of theory with a master of his intelligence will leave you certain of the correct classical training.
